

## Fax 2 Mail Mail 2 Fax

Do you want to receive calls in FAX format and convert them to digital format and vice versa?

CallMyWay® offers you **Fax2Mail®**. It sends the content of the email along with email attachments in PDF and word formats in fax format.

**Fax2Mail®** includes 5 email accounts for sending and 1 for receiving.

### BENEFITS

#### Reliable

Once the fax is successfully sent, the sender receives a mail confirmation.

#### Useful Notifications

In the event that the FAX has not been sent, the service retries sending it from where the previous attempt and if it still unsuccessful, a mail notification is sent.

## FEATURES

### Economy

Service charges are associated with the duration of the call.

### No additional charge

The service can receive an unlimited number of incoming faxes per month at no additional charge.

### Useful Notifications

Once the fax is successfully sent, the sender receives a useful notifications via email.

Note: When they are png,jpeg,gif images, the fax server will automatically delete these images before the fax is processed by the service platform.

## BUSINESS MODEL

### Fixed configuration and activation fee

A setup and activation fee applies per line.

### Fixed monthly fee

A monthly line charge and usage charge applies based on the length of time the fax was sent. Since this is a FAX service, which is a phone call, the service is charged based on the duration of the call that sent the FAX. The service can receive an unlimited number of incoming faxes per month at no additional charge.
